BY FIREFIGHTERS!

Elite Insurance Associates is privileged to collaborate with Boston Mutual on a project initiated in 2018 by Gregg Gurdak. This initiative aims to provide tailored and exclusive benefits for **Florida's First Responders**.

Gregg, a former South Florida Firefighter and Life Insurance Agent, deliberately chose to partner with Boston Mutual, a company established in 1891, known for insuring Firefighters and demonstrating a steadfast commitment to safeguarding working Americans, First Responders, and their families.

Elite Insurance Associates takes pride in being the Enrollment Team of Specialists entrusted with offering Guarantee Issue coverages to **Florida's First Responders**, including:

- 24-hour Accident Coverage*
- Critical Illness and Cancer Protection*
- Whole Life Insurance options*

These benefits, characterized by their "no medical questions or exams" policy, feature significantly discounted group rates and provide coverage as soon as the enrollment process is completed.
